## Hit the Beach at Art Basel with Exhibit-Worthy Towels

December 1, 2011 12:49 PM by [Joyann King](#)

Forget canvas, how about art on terrycloth? This season the [Art Production Fund](#), a non profit organization dedicated to helping inspiring works come to fruition, has tapped artists like Barbara Kruger (top) and Rirkrit Tiravanija (bottom) to put their stamp on a beachside staple for their latest Works on Whatever series. And for those lucky enough to be sunning it down in South Beach for [Art Basel](#), the statement towels (\$95 each) are available at the Sagamore Hotel throughout the festivities — talk about the perfect souvenir. For the rest of us, we can nab our work of choice at [worksonwhatever.com](#). All proceeds support public art.
